## HONEY MELON BLUSH

(Pierce-Gilstrap) 2110B: Height 28 inches, bloom 7 inches, season EM, Rebloom, Semi-Evergreen, Tetraploid, 26 buds, 4 branches. Brilliant chartreuse green with rose lavender tips, heavily ruffled green edge, wide open form with glowing throat. Fertile both ways. (sdlg × sdlg)

Fresh and radiant, **HONEY MELON BLUSH** glows with irresistible color and form. Its wide 7" blooms open in brilliant chartreuse green, softened at the tips with a delicate rose-lavender blush that lends a unique, refreshing contrast. A heavily ruffled green edge frames each petal, while the glowing throat radiates light and depth through the entire bloom. Standing 28" tall, the strong scapes carry 26 buds on 4-way branching, ensuring a dependable display of flowers across the early-mid season and beyond. As a rebloomer, **HONEY MELON BLUSH** offers encore performances that keep its cool brilliance returning. Both vibrant and refined, **HONEY MELON BLUSH** is a garden highlight. Its glowing chartreuse tones and soft blush tips creating a look as fresh as summer fruit. Price: \$200

## NIGHT LIGHTNING

(Pierce-Gilstrap) A-22-B: Height 30 inches, bloom 6.75 inches, season EM, Rebloom, Evergreen, Tetraploid, Fragrant, 24 buds, 4 branches. Rich magenta violet with bold dark plum eye, chartreuse to yellow throat, heavily ruffled edge trimmed in cream, wide form. Fertile both ways. (sdlg × sdlg)

Electrifying in both color and form, **NIGHT LIGHTNING** strikes the garden with vivid contrast and bold presence. The wide 6.75" blooms open in rich magenta-violet, charged by a dramatic dark plum eye that radiates toward a glowing chartreuse-to-yellow throat. Each petal is heavily ruffled and finished with a cream-trimmed edge, adding brightness to its stormy palette. Standing 30" tall, the well-structured scapes carry 24 buds on 4-way branching, ensuring weeks of bloom. As a rebloomer, **NIGHT LIGHTNING** flashes back for repeat performances, while its fragrance adds another spark to its appeal.

## PINEAPPLE NOIR

(Pierce-Gilstrap) 2117-G: Height 34 inches, bloom 8 inches, season E, Rebloom, Semi-Evergreen, Tetraploid, Fragrant, 24 buds, 6 branches. Black plum with ruffled, bubbly gold edge and triangular, diamond dusted green throat. Fertile both ways. (sdlg × sdlg)

Dramatic and decadent, **PINEAPPLE NOIR** makes a striking statement with its bold 8" blooms. Petals of deep black-plum create a velvety backdrop for the triangular, diamond-dusted green throat that glows at the center. Each flower is finished with a ruffled, bubbly edge of radiant gold, giving the cultivar a vivid contrast that shimmers in sunlight. Strong 34" scapes carry 24 buds on 6-way branching, providing both structure and abundance. Fragrant and reblooming, **PINEAPPLE NOIR** continues to captivate across the season, offering encore flushes of its lavish blooms. With its rich dark tones, golden trim, and jewel-like throat, **PINEAPPLE NOIR** is both exotic and elegant. It is an unforgettable treasure for the modern garden. Price: \$300

## ALLIGATOR ROSE'

(Pierce-Gilstrap) 2041-H: Height 29 inches, bloom 6.5 inches, season E, Rebloom, Evergreen, Tetraploid, Fragrant, 27 buds, 5 branches. Star shaped, rose magenta with peach lavender watermark, chartreuse to yellow throat, and cream tipped edge with bold teeth. Fertile both ways. (sdlg × sdlg)

**ALLIGATOR ROSÉ** is a dazzling, star-shaped standout that combines tropical vibrance with sculptural precision. Each 6.5" bloom opens in saturated rose-magenta petals, glowing with a soft peach-lavender watermark that radiates from the flower's heart. The luminous chartreuse-to-yellow throat bursts outward, anchoring the bloom in brilliant contrast. Its most striking feature is the dramatic, cream-tipped edge adorned with bold, alligator-like teeth adding playful texture and power to its refined form. Rich, exotic, and unforgettable, **ALLIGATOR ROSÉ** blends elegance with edge, making it a must-have for collectors who crave both beauty and bite in their gardens.

Price: \$150

## AURORA'S GLOW

(Pierce-Gilstrap) 2058D: Height 24 inches, bloom 7.5 inches, season E, Rebloom, Semi-Evergreen, Tetraploid, 25 buds, 5 branches. Creamy peach with a bold rose pink eye, bright green throat, heavily ruffled yellow green edge, and prominent, lighter midribs. Fertile both ways. ((Be Cool X Sylvia Mae) X Festive Splash)

Radiant and refined, **AURORA'S GLOW** lives up to its celestial name with luminous 7.5" blooms that seem to light up the garden. Petals of creamy peach are marked by a bold rose-pink eye, drawing focus toward a vivid green throat that shimmers at the center. Prominent, lighter midribs give the bloom extra depth and dimension, while the heavily ruffled edge glows in yellow-green, framing each bloom with sparkling definition. As a rebloomer, **AURORA'S GLOW** extends its performance beyond the early season, keeping its radiant display alive well into summer. Elegant yet bold, this cultivar is a garden beacon perfect for collectors who crave size, consistency, color, and dependable rebloom.

Price: \$200

## PEARLSPELL

(Pierce-Gilstrap) A-2222-AD: Height 42 inches, bloom 7 inches, season E, Rebloom, Semi-Evergreen, Tetraploid, Fragrant, 25 buds, 4 branches. Pearl with bold violet purple eye, green throat, and lightly ruffled violet edge. Fertile both ways. (sdlg × sdlg)

Tall and enchanting, **PEARLSPELL** casts its charm with luminous 7" blooms of pearl-white petals marked by a bold violet-purple eye. At the heart, a glowing green throat radiates brightness, while the lightly ruffled violet edge provides a delicate finishing touch. The refined balance of pearl and amethyst tones gives each flower a spellbinding, jewel-like presence. Soaring at 42", the elegant scapes carry 25 buds on 4-way branching, offering both height and consistency. Fragrant and reblooming, **PEARLSPELL** extends its magic throughout the season, with encore performances that keep its luminous beauty alive in the summer garden.

Price: \$100

## LAVA LACE

8.25"

(Pierce-Gilstrap) 9032-AC: Height 30 inches, bloom 8.25 inches, season E, Rebloom, Evergreen, Tetraploid, 35 buds, 5 branches. Deep crimson with yellow to green throat, ruffled gold picotee, full form with heavy substance. Fertile both ways. (sdlg × sdlg)

Fiery and commanding, **LAVA LACE** burns brightly in the garden with massive 8.25" blooms of deep crimson. Each bloom glows from a yellow-to-green throat that radiates warmth outward, intensifying the molten color of the petals. A ruffled gold picotee edge adds contrast and elegance, delicately trimming the heavy, full-form blooms with lace-like brilliance. Standing 30" tall, strong scapes hold 35 buds on 5-way branching, delivering both power and consistency throughout the season. With its bold color, luminous throat, and gold-edged refinement, **LAVA LACE** is both heat and elegance woven together. It is an unforgettable garden star.

Price: \$150

## GLAMOUFLAGE

(Pierce-Gilstrap) 2182-A: Height 36 inches, bloom 7.75 inches, season E, Rebloom, Evergreen, Tetraploid, Fragrant, 35 buds, 6 branches. Lavender violet with glowing green to yellow throat, cream peach tips, and violet eyezone, with lightly ruffled edge. Fertile both ways. (Sonic Icons × sdlg)

A masterpiece of shifting color and luminous design, **GLAMOUFLAGE** dazzles with 7.75" blooms of lavender-violet washed in creampeach tones. The violet eyezone intensifies the contrast against a glowing green-to-yellow throat, while the softly ruffled edges frame the flower with refined grace. Tall, well-branched 36" scapes hold an impressive 35 buds, ensuring an extended and glamorous bloom season. A fragrant evergreen rebloomer, **GLAMOUFLAGE** performs with elegance and consistency, its complex tones subtly transforming with changing light. True to its name, **GLAMOUFLAGE** blends sophistication and allure. It is an irresistible chameleon of color that reveals new beauty each day. Price: \$110

# LETTER FROM THE GILSTRAP FAMILY!

*Dear Friends,*

*As we step into another beautiful season here at Floyd Cove Nursery, we can't help but feel an overwhelming sense of gratitude. This past year marked our first as the new stewards of this incredible place and what a year it has been!*

*When our family moved here, we knew we were stepping into something special. We admired Floyd Cove's legacy but living it day to day has deepened our appreciation in ways we could never have imagined. Our days have been filled with sunshine, soil, and a steady stream of lessons from learning how to outsmart weeds, protect tender seedlings from pests, and work through Florida's summer heat that tests both patience and sunscreen. But through every challenge has come immense joy.*

*We are deeply thankful to Guy and Karen Pierce, whose talent, vision, and dedication built Floyd Cove into the world-class nursery it is today. It's an honor to carry forward the legacy they created with such passion and care.*

*The nursery has become not only our business, but our home. It is the heart of our family's life. We've embraced the rhythm of early mornings in the garden, the laughter of our boys running between the rows, and the peaceful evenings when the setting sun glows across the fields of blooms. There is a deep and steady happiness in growing something beautiful, and we understand why so many people are captivated by daylilies. They truly are magical.*

*Most of all, we have been welcomed by the most wonderful community, the daylily family. From hybridizers and collectors to home gardeners and long-time customers, each of you has made this journey so meaningful. Your warmth, generosity, and shared passion have shown us that this is more than a business. It's a family built on beauty, creativity, and connection.*

*As we continue the legacy of Floyd Cove, we do so with full hearts and are eager to learn, grow, and create alongside you. Thank you for being part of this adventure with us. We look forward to many more years of blooms, friendship, and shared joy ahead.*

*With gratitude and smiles,*

*Toby, Shelley, and Sons*

## **GENERAL INFORMATION**

### **GENERAL LISTING PLANTS - SPRING 2026 • PRICE PER DOUBLE FAN/POT**

#### **SHIPPING MARCH TO MID-JUNE 2026**

At Floyd Cove Nursery, we take pride in growing high-quality daylilies that not only inspire hybridizers but also delight daylily enthusiasts. Continuing the tradition of the past 30 years, we remain committed to delivering plants that meet the highest standards. Each daylily is personally dug, labeled, and packed by our family, and we value the close, personal relationships we are building with our customers.

All of our plants are carefully inspected by the State of Florida, and our nursery follows a regular spraying program to ensure the health and quality of every plant. We take special care to prevent rust and maintain a healthy garden environment. Each plant listed for sale is freshly potted each year into 3-gallon containers with a specially formulated mix of Florida peat, dolomitic limestone, and Nutricote 18-6-8, 360-day slow-release fertilizer.

For those who prefer to pick up their plants in person, arrangements can be made to collect potted plants directly from the nursery. If you have any questions, please don't hesitate to reach out. We're always here to help.

#### **OUR GUARANTEE TO YOU**

At Floyd Cove Nursery, we are committed to providing you with fresh, true-to-name, blooming-size daylilies. For our own introductions, the prices listed are for single fans, though in most cases, you will receive double fans as a courtesy. This is our way of offering extra value to our customers, and we take great pride in the quality of our plants.

However, we ask that our generosity be respected. If you plan to use our plants for resale at a significant discount, particularly in the first year, we ask that you refrain from placing an order with us. We value our relationships with breeders and collectors who appreciate the quality of our plants, and we reserve the right to refuse business to anyone who uses our plants in a way that undermines our efforts. Should we become aware of such activity, often through feedback from our customers, we will no longer be able to fulfill future orders.

If you are not satisfied with the quality of the plants you receive, please do not plant them. Simply return them to us for a full refund. We stand behind the size and condition of our plants, and we want you to be completely satisfied with your purchase. For new introductions, we will send double fans as long as stock allows. When we are down to the last 10 pots of an introduction, we will offer them as single fans. Should this occur, we will notify you to confirm that you wish to proceed with the order.

#### **BONUS PLANTS**

We offer a complimentary bonus plant with every order, excluding Daylily Collections which are already offered at a discount. Our bonus plants typically represent around 20% of the order value, and we believe we provide some of the best bonuses in the industry. To receive a bonus plant, simply provide us with a reasonable list of your preferences, and we will do our best to accommodate your request.

We would like to remind customers that selling a bonus plant in the same year it is released is not acceptable. This is treated in the same manner as selling newly introduced varieties, and those who engage in this practice will no longer be eligible for a bonus. Please note that bonus plants will not be included in orders under \$50, as it can be challenging to source suitable inventory for smaller orders.

#### **SUBSTITUTION**

If you authorize substitutions, we will ensure that any replacements are of equal or greater value. We will never substitute without your prior consent. In the event that we are unable to fulfill your order and no suitable substitution is available, we will issue a refund for the cost of the item. Whenever possible, we will also offer a bonus plant from your substitution list as a gesture of appreciation.

#### **GENERAL LISTING PLANTS**

Our General Listing plants are updated annually. Please note that many of our varieties, particularly those priced between \$10 and \$25–\$35, often sell out quickly, typically by May. To ensure availability, we encourage you to place your orders early. We no longer ship or hold General Listing plants for fall delivery due to their smaller size. We will make efforts to post sold-out listings regularly on our website for your convenience.

#### **SHIPPING INFORMATION**

All plants are shipped bare root, carefully trimmed, washed, dipped, and securely packaged for delivery. We ship via UPS Ground, and USPS Priority Mail may be arranged at your own risk. Shipping charges are as follows: \$25.00 plus \$3 handling for domestic orders, and \$30.00 plus \$3 handling for shipments to the West Coast (including New Mexico, Colorado, Utah, Idaho, Arizona, California, Oregon, and Washington) due to UPS and Postal rate increases. Please ensure that you provide a clear delivery address, including a phone number and email address, to facilitate smooth delivery. For UPS shipments, we use UPS Quantum View Notification, which will notify you by email when your order has shipped, along with the expected delivery date.

## **RESALE OF NEW INTRODUCTIONS**

We do not permit the resale of new Floyd Cove introductions at discounted prices within one year of their release (March to March). We request that you refrain from undercutting our pricing, as this devalues the market for these introductions. Violators will be prohibited from purchasing plants from us in the future. No exceptions will be made.

## **INTERNATIONAL SHIPPING**

We offer worldwide shipping. For the most current list of countries we can ship to, please contact us directly. Our minimum order for international customers is \$800 USD, with an additional \$150 USD charge for handling and the required Phytosanitary certificate. Due to the extensive paperwork involved in international shipments, handling fees have been increased. To help offset this cost, we will include a bonus fan or additional plant with your order, whenever possible.

Please note that we do not accept international orders consisting solely of General Listing plants, as these are offered only as a courtesy alongside our exclusive introductions. All international orders must include at least 25% new introductions to be processed. Shipping costs will be charged separately at the time of shipment. For further details and to discuss specific requirements, please contact us.

## **VISITING THE GARDEN**

We invite you to visit our nursery during peak bloom season, from April 16 through May 15. Our garden is located at 1240 Enterprise Osteen Road, Enterprise, FL 32725. Please note that our nursery is also our private residence and is secured by a gate. When you arrive, call us at 386-575-3391, and we'll be happy to open the gate for you.

Our regular visiting hours are Thursday through Sunday, 8:00 AM to 12:00 PM. After noon, our irrigation system runs across multiple zones, making it difficult to accommodate visitors. If you'd like to visit outside of regular hours, please contact us in advance by phone or email so we can ensure access and availability. We are often busy fulfilling orders during this time of year, so we kindly ask that you let us know ahead of your visit as we want to make sure we can give you the time and attention you deserve.

To reach us: Take I-4, exit 108, and turn onto Debary Avenue, heading east. Follow Debary Avenue to Providence Blvd, turn right, and continue to the end of the road (Lake Munroe). Turn left onto Lakeshore Drive, which becomes Enterprise Osteen Road. We are located across from Mariners Cove Park. If the gate is closed, please call the number listed on the gate for assistance.

## **GIFT CERTIFICATES**

Gift certificates are available in any denomination you choose. If you would like to request a themed certificate, please let us know, and we will be happy to accommodate your request.

## **CATALOGS**

New customers are welcome to request a catalog for \$5.00. Once your catalog order is received, we will send you a \$10.00 voucher, which can be used toward your first purchase of \$25.00 or more. Please send checks for catalog orders to our postal address. If available, we will also include catalogs from previous years at no extra charge as a bonus.

## **CLUB ORDERS**

At Floyd Cove, we take great pride in our longstanding support of garden clubs by offering high-quality plants at exceptional values. We are pleased to provide clubs with new introductions, curated collections, or individual plants, and will make every effort to provide multiple fans whenever possible.

For clubs wishing to purchase plants within a specified budget, we are happy to match your dollar amount, effectively doubling the value of your order. Please note that club plants are non-replaceable. We truly appreciate and value our club partnerships!
